Respected Sir/ Madam,

Warm Greetings on behalf of *Homi Bhabha Centre for Science Education (HBCSE)*!

As you are aware, various state governments are enforcing containment measures/ lockdowns / restrictions /weekend curfew etc due to the prevailing situation. **Hence, we have been compelled to postpone the upcoming IOQM, IOQJS, IOQP, IOQB, IOQA & IOQC slated on 9th Jan, 16th & 23rd Jan 2022.**

We are making all efforts to inform the students and we are reaching them through mail and SMS.

Thanks a lot for the understanding and we sincerely believe that we will overcome this crisis as soon as possible and are better prepared to conduct the exams in a safe and secure manner at a later point of time.
